

General Policies

- Upon registration each family must have a credit card on file. For those not wishing to have auto-payments, the card will only be used in the event of overdue charges.
- Tuition and account balances must be up-to-date and paid by the 1st of each month. An account is overdue if no payment is made by the 10th. An email reminder will be sent. If no payment is made, payment will be drawn from the card on file. If the transaction fails, a penalty charge of \$15 will be added to the account and payment must be made before the next class. In the event of delinquent accounts, we reserve the right to remove a student from our rosters. In difficult situations, arrangements can be discussed with the office staff.
- Tuition is the same each month regardless of the number of weeks in a month or student absences.
- In the event of inclement weather, refer to our website, our Facebook page, or Instagram for closing updates. Make-up classes will be at the program's convenience.

KDA Dress Code

For a professional environment and optimal learning, male students should wear a t-shirt and shorts or pants that they can move well in. Female students should wear leotard and tights. Hair should be pulled out of face in a ponytail or bun. We have certain shoes that go with each dance class. See website or check with office. All dress code items can be purchased at our studio, just check with our office.

Tuition & Fees

ALL FEES ARE NON-REFUNDABLE

If you choose to withdraw your student, you must notify Kristy's Dance Academy in writing. You will still be responsible for tuition for the current month as the space is being held for your student.

Registration Fee \$25 per student

Year End Performance Fee \$30 per student due in April

Monthly Tuition for Classes

1 class per week	\$48/month
2 classes per week	\$64/month
3 classes per week	\$76/month
4 classes per week	\$86/month
5 classes per week	\$96/month
6 classes per week	\$106/month
7 classes per week	\$116/month
8 classes per week	\$126/month
Unlimited classes	\$136/month

Tuition is the same each month regardless of the number of weeks in a month.

Family discount: Family tuition works the same as one student taking multiple classes. Dancers must be siblings living in the same household to receive the family discount.

Year End Performance Fee

Our Year End Performance date and location is TBD.

Each student will be awarded a trophy or medal at the performance.

Costume Fees: We will not have costume fees this year. Due to the financial strain and issues that arose this past year due to COVID-19, KDA has made the decision to not purchase costumes this year. We want to make dance as affordable as possible for everyone this year. We will purchase a Year End Performance t-shirt for each student. After we receive the t-shirts, we will do a group picture of each class. We will hold a Year End Performance, where the students will wear their KDA t-shirt with black shorts and perform for family and friends to show what they have learned over the year. We feel this is the best option for the upcoming year due to all the uncertainties we all still face.
